# Das Winnipegger Lügenblatt

Manitoba by Das Lügenblatt Gesellschaft.

## A Great Day

**T**HIS a Great Day is for Manitoba. Everywhere the forces of the great and valiant Nazi army are bringing the New Order to the Provinz of the Greater Germany.

The great and valiant Nazi army is also bringing to the Provinz German Kultur and the blessings of German civilization.

Unfortunately, there are people who do not understand the blessings which we have brought them. **THEY WILL BE MADE TO UNDERSTAND.**

The Nazis, like Der Fuehrer, are patient, kind and tolerant, but **THEIR PATIENCE IS RAPIDLY EXHAUSTED BECOMING.**

There are still poor, blind dummkopfs who are protesting. They do not know it is too late to protest. They will learn to live under the beautiful Nazi system whether or not they like it.

The former Lieutenant-Governor of Manitoba, the former Mayor of Winnipeg—these men have learned already what it is to obstruct. **THEY HAVE ALSO LEARNED WHAT IT MEANS A CONCENTRATION CAMP.**

It is intolerable that so many people in Manitoba fail yet to understand why the churches and synagogues are closed; why the labor halls and the union meetings are categorically forbidden; why the food has been commandeered for the glorious Nazi army.

**LET THE PEOPLE OF MANITOBA UNDERSTAND ONCE AND FOR ALL.** This is the New Order decreed by Hitler under his God-given all-under-one-ruling-people plan. There is no true freedom but the Higher Freedom.

- There is freedom—for the Nazi rulers.
- There is free speech—for the Nazi ruling class.
- There is freedom of assembly—for the Nazi party.
- There is freedom of worship—for all, to worship Hitler. Heil Hitler!

## Our Platform Is Hitler's Platform

### From Der Fuehrer's Own Words

#### HITLER ON HITLER

I, Hitler, am one of the hardest men Germany has had for decades, perhaps for centuries, equipped with the greatest authority of any German leader. But above all, I believe in my success. I believe in it unconditionally.

#### CONQUEST

A clever conqueror will always, if possible, impose his demands on the conquered by instalments. For a people that makes a voluntary surrender saps its own character; and with such a people you can calculate, that none of these expressions in detail will supply quite enough reason for it to resort once more to arms. The more such extortions are suffered without resistance, the more unjustifiable it comes to seem to people to make any ultimate stand against pressures; which appear each to be new and isolated, though in fact there is perpetual recurrence of them.

#### CANADA

How can our people, its 360 per square mile, exist at all if they do not employ every ounce of brain power and physical strength to wrest from their soil what they need? This distinguishes us from the others. In Canada, for example, there are 2.6 persons per square mile; in other countries perhaps 16, 18, 20 or 26 persons.

#### PROPAGANDA

The task of propaganda lies not in a scientific training of the individual, but rather in directing the masses toward certain facts, events, necessities, etc., the purpose being to move their importance into the masses' field of vision.

The art now is exclusively to attack this so skilfully that a general conviction of the reality of a fact, of the necessity of an event, that something that is necessary is also right, etc., is created. Its effect has always to be directed more and more toward the feeling, and only to a certain extent to so-called reason.

All propaganda has to be popular and has to adapt its spiritual level to the perception of the least intelligent of those toward whom it intends to direct itself. Therefore its spiritual level has to be screwed lower, the greater the mass of people which one wants to attract.

#### GERMANIZATION

As the nationality, or rather the race, is not rooted in the language but in the blood, one could be permitted to speak of a Germanization only if one could succeed in changing, by such a procedure, the blood of the subjugated. But this is impossible. Except, perhaps, if by a blood blending a change were to take place which then, however, would mean the lowering of the standard of the higher race. Therefore the final result of such a procedure would be the destruction of just those qualities which once made the conquering people capable of victory.

#### ON THE JAPANESE

Immediately after the end of the war of 1914-18 the old American-Japanese mutual antagonism again began to manifest itself. Naturally, the great European world powers could not remain indifferent to this newly threatening danger of war. All the kinship connections, however, could not prevent a certain feeling of envious concern in England for the growth of the American Union in all fields of international economic and power politics. A new mistress of the world seemed to be growing out of the former colonial country, the child of the great mother.

The gigantic American State Colossus, with its enormous wealth of virgin soil, is more difficult to attack than the wedged-in German Reich. If some time here, too, the dice shall roll for a final decision, England would be doomed, were she to stand alone. Hence they anxiously reach out for the yellow (Japanese) fist and cling to an alliance which, viewed racially, is perhaps irresponsible, but which, nevertheless, politically offers the sole possibility of reinforcing the British world position in the face of the aspiring American continent.

## Manitoba Looks At The Fuehrer

#### On The Record

### What Hitler Did Not Say

By DOROTHY THOMPSON  
—Exclusive to The Winnipeg Tribune

**T**HE Hitler speech on Friday, Jan. 30, taken as a whole is significant—as important for what he did not say as for what he did.

Dorothy Thompson

It was under these conditions that Hitler spoke for one hour and fifty-three minutes to a mass meeting.

Of this time he devoted thirty-six minutes to his own version of the history of the last war. To prove what? To prove

He then spoke for forty minutes on the history of the Nazi struggle for victory inside Germany.

To prove what? To prove

He then spoke for twenty-nine minutes on the history of the present war,

Finally, he devoted nine minutes to a report on the present situation of Germany in the war itself.

In this nine minutes he gave no figures on casualties.

From the speech, therefore, one can get some picture of the state of mind in Germany.

and such Nazi innovations as the Labor Front and Strength Through Joy are really popular.

### An Explanation

**T**HOUGH the glorious Nazi army Winnipeg and Manitoba with superb efficiency, today occupied it was manifestly impossible for our valourous forces to get everything for the glory of Hitler at once, operating.

For this reason, in taking over The Winnipeg Tribune it was necessary as much as possible the existing facilities to using, including with the members of the editorial redaction and printing room staffs.

For this reason, also, the new leader of this paper found it necessary some material to use for this page, already in type, as for example, the article by the accused democratic journalist, Miss Dorothy Thompson. We have the precaution taken however of censoring the writing of this and other accused freedom writers, as the reader above will see, so that nothing harmful to the new Nazi state may be dispersed.

When our next issue is coming out, the reader will note how completely the members of the staff of this paper have all cooperative become.

## Der Trumpeter

By HERMAN VON VERMIN

**H**HEEL Hitler! It with great satisfaction is announced the name of this column has been changed. So has the writer. It is good. All citizens will think it is good, or else.

Before the present advance of Kultur to Winnipeg came, this column known was then as *Tribune Trumps*, a foolish name with card games associated and so no longer to the New Order agreeable.

Instead we have *Trumpeter* a name which associated with martial glory is. Heel Hitler.

Instead of the fat fellow who would the time waste daily of his unhappy readers with foolish sayings and nonsense yet, we have a new editor whose soul life purpose to spread German Humor is.

The former editor (whose name mentioned shall not be because it has offensive become to all admirers of the New Order) was a lazy useless misfit who unworthy was of the privilege of having his idle talkings in print put.

It is said the former so-called journalist, who this column was running, was often late.

So comes a joke, he is now the late journalist. (Joke).

Explained it should be that whenever the word (Joke) appears thus in this column from now on the reader is expected to laugh.

In this way there will be no need jokes to be looking for as they all plainly marked will be.

Such is German efficiency. Heel Hitler!

Orders are hereby given that *Der Trumpeter* must be read in each home, factory, hotel, or restaurant at six o'clock each evening, New German Time.

In homes the head of the family will read, yes, and at the appearance of each (Joke) he will raise his hand and the entire family will laugh three times in unison.

Any person not laughing promptly, or loudly enough, must be reported at once by other members of the family, to the nearest agent of the Gestapo.

Children under two years of age are the only one permitted to be excused from sharing in this laughter.

It is also decreed that in future there will only be one kind of laughter, and that is official laughing. Any persons breaking into foolish giggles or loud guffaws at anything that is not an official joke, will be sternly dealt with.

They will be lodged in special prison camps where they will be required to laugh together for half-an-hour on the hour twelve times a day.

During their rest periods they will be engaged in digging holes in order to fill them up again.

Thus their sense of humor soon improved should be. (Joke) Ha! Ha! Ha! In order to teach the new German laughter special practices will be held in each neighborhood for one hour each evening.

All citizens must attend. Those too sick to walk must be carried by relatives or friends.

At these gatherings an official German humorist will announce official jokes, and count ein, zwei, drei, for the laughter which must follow.

Already the editor of this column has heard a Canadian joke to which he has consented to give official approval.

This joke must be told as follows:

Question: "Who was that lady last night I saw you out with?"

Answer: "That lady was my wife." (Joke) Ha! Ha! Ha!

Other official jokes will be released for public use from time to time.

As explained before no jokes, other than the official ones, will be permitted to written, told, or depicted in pictures or acting.

Thus the New Order brings proper regimentation to the department of humor, which must be used only sparingly as *Der Fuehrer* himself never laughs and regards this as senseless practice which is a waste of time.

Hereafter readers of this column will daily express gratitude over their good fortune in being able to read *Der Trumpeter*, instead of ridiculous and despised *Trumps*.

Let there be no mistake. Everybody must read this column from now on. It will be the only source of official jokes.

Storm Troopers and Gestapo agents will stop citizens on the street and ask them to repeat, and laugh at, the latest official joke.

If the citizen, has not read this column, or has forgotten the joke, or forgets to laugh after he has repeated it, he will be immediately arrested and his entire family penalized.

Thus Germany brings the blessings of true Nazi humor to the lucky Canadian people.

Everybody will agree with this statement, everybody will laugh loudly at all official jokes—or else.

Heel Hitler!

## Illusions About Germany

By PROFESSOR FREDERICK H. CRAMER

[Professor Cramer, who was born and educated in Germany, is now a member of the history department of Mt. Holyoke College in Massachusetts. He has contributed articles to many North American periodicals.]

And this task must be approached free from the illusion that there exists today, beneath the icy layer of Nazidom a democratic Germany, just waiting for liberation. There is no such democratic Germany. There never was. It will have to be created by the western world.
