

German Official Leaks Report Denouncing Corona as ‘A Global False Alarm’

Written by Daniele Pozzati
June 1, 2020

(I feel it is necessary to make a few editorial comments on the below story. I cannot independently confirm what the report states. The only copy I was able to find is in German, I could not find an English translation. The below story contains several “opinions” which may or may not be true. However, this story does fall in line with the concerns I have had since this started, the numbers DO NOT ADD UP. That statement I can prove. Here in the U.S.A. many politicians used absurd scare tactics and inflated numbers, which never came true, (and to anyone who just thought about it and did some basic math knew COULD NEVER COME TRUE) to frighten the American public into submission.

Throughout the world peoples’ freedoms (in many countries such as they are to begin with) have been curtailed if not outright taken away. British P.M. Boris Johnson said recently *“I’ve learnt that it’s much easier to take people’s freedoms away than give them back.”*

I put it to you that in many cases the people in power have no intention of giving freedom back to the people. Recently Nancy Pelosi, Speaker of the House and far left democrat, during a speech quoted another far left democrat James Cliburn when she said about the pandemic *“This is an opportunity, every crisis is.”* The problem is that the “crisis” is most likely a hoax and the “opportunity” she wants is it to take freedom and liberty from the American people, and she will not give it back.

While in the last century we had two world wars, the Holocaust, the communist revolution and so many other critical events, it is difficult to put your finger on a single time you could consider the “most dangerous” time in the world. Many thought that the 1917 communist revolution was one of the greatest movements of the “people” ever, it cost the lives of over 100,000,000 (one hundred million) at the hands of the “people’s movement.” The children in U.S. schools are being taught that socialism is good, I hope they survive the holocaust which will be unleashed on them by the socialists in the future.

In my opinion, for freedom and liberty in the United States, THIS time is the most dangerous time this country has ever faced. Not from the Wuhan virus, but from the democrat party, the left-wing media, the left-wing academics, the left-wing scientists. The left controls the “triad of evil” (government, media, education/science) and the people will be the ones who suffer.

The below story really concerns Germany and their response. I would like to point out that Chancellor Angela Merkel grew up and was “educated” in totalitarian communist East Germany. (With her you get two for one, she was educated as a “research scientist”.) This is a woman who allowed her country to be overrun by illegal immigrants from the middle east. She allowed them to commit crimes (especially sexual crimes against women) which were covered up by her government and the German left wing media. The German citizen suffers at her hands, why do you keep electing her? Well you get what you deserve I guess.

We are told by the politicians and the left wing media to “believe the scientists” but this story proves that you only listen to the scientists that support the views and goals of the government. It is the same as the Climate Change hoax.

If you couple the Wuhan virus hoax with the Climate Change hoax and add the current riots you have a trifecta of deceit. The riots, supposedly caused by the appalling death of a black man in Minneapolis, Minnesota, are nothing more than a left wing terrorist action. Democrat mayors allowed these riots to destroy hundreds of millions of dollars in other people’s property. There

have been a number of murders, including that of at least 2 police officers (both black) and the shooting of at least six other officers that I am aware of.

All this because they claim the rioters are upset because a black man was murdered (and have no doubt, he WAS murdered) by a Minneapolis policeman. The rioters, all over the world, could not care less about a black man getting killed. Not a single one of the rioters care about him. The only people who are really upset are his family and friends, and probably a great number of people in Minneapolis, but not even all of them. They raise him to almost to sainthood status, but not one of them would have given him the time of day the day before. Does that sound harsh, I can prove it. Not one of them lifted a finger to help him while he was being murdered, did they.

No they don't care about him, this is just an excuse to riot. And if you think it is only black people rioting, you are wrong. The left wing Nazi group Antifa is organizing these riots, and they are made up mostly of deranged young white people. Yea there are a lot of black people looting, burning, shooting and beating other people, they are fueled by the Antifa Nazis.

What happened to George Floyd should NEVER HAPPEN TO AN AMERICAN EVER. So we must ask why did this happen and who is responsible. I have heard the left wing media and left wing politicians, including Joe Biden, say that this proves systemic racism in Minneapolis. So why are none of the rioters, politicians and left wing media pendants not asking the democrat mayor of Minneapolis, why he has such racist policies?

Just so you understand (and until now you had no reason to even look this information up) that it is the democrat (Democrat-Farmer-Labor Party) which has run Minneapolis since 1945. Since 1945 there have only been two Republican mayors, one for 4 years (1957-1961) and 1 for ONE DAY (Dec. 31, 1973) They have had two "independent" mayors who were nothing more than a democrat using a different label. So since 1945, that is SEVENTY-FIVE years, the democrat party has built Minneapolis. If Minneapolis is filled with systemic racism, you now know who was in charge and who put the racist policies in place.

Biden recently said he would do something about systemic racism, but he was in office for over 40 years, so he helped to put the racist policies in place. He never lifted a finger to stop this "racism" that he claims is everywhere in the over 40 years he was in office did he.

I have gotten way off track and I could write much more. The below story is very important for you to read, so please do.
Michael W. Pocock)

Germany's federal government and mainstream media are engaged in damage control after a [report](#) that challenges the established Corona narrative leaked from the interior ministry.

Some of the report key passages are:

- The dangerousness of Covid-19 was overestimated: probably at no point did the danger posed by the new virus go beyond the normal level.
- The people who die from Corona are essentially those who would statistically die this year, because they have reached the end of their lives and their weakened bodies can no longer cope with any random everyday stress (including the

approximately 150 viruses currently in circulation).

- Worldwide, within a quarter of a year, there has been no more than 250,000 deaths from Covid-19, compared to 1.5 million deaths [25,100 in Germany] during the influenza wave 2017/18.

- The danger is obviously no greater than that of many other viruses. There is no evidence that this was more than a false alarm.

- A reproach could go along these lines: During the Corona crisis the State has proved itself as one of the biggest producers of Fake News.

So far, so bad. But it gets worse.

The report focuses on the “manifold and heavy consequences of the Corona measures” and warns that these are “grave”.

More people are dying because of state-imposed Corona-measures than they are being killed by the virus.

(This seems to be by design. NY Gov. Cuomo ordered Wuhan virus patient into nursing homes, thousands of elderly people died because of him, but he did manage to lower the medicare rolls. Same for the NJ governor, and maybe European leaders did the same thing since they have “free” health care they need to get rid of the old.)

The reason is a scandal in the making:

A Corona-focused German healthcare system is postponing life-saving surgery and delaying or reducing treatment for non-Corona patients.

Berlin in Denial Mode. The scientists fight back.

Initially, the government tried to dismiss the report as “the work of one employee”, and its contents as “his own opinion” - while the journalists closed ranks, no questions asked, with the politicians.

But the 93-pages report titled “Analysis of the Crisis Management” has been drafted by a scientific panel appointed by the interior ministry and composed by external medical experts from several German universities.

The report was the initiative of a department of the interior ministry called Unit KM4 and in charge with the “Protection of critical infrastructures”.

This is also where the German official turned whistleblower, Stephen Kohn, work(ed), and from where he leaked it to the media.

The authors of the report issued a joint [press release](#) already on Mai 11th, berating the government for ignoring expert advice, and asking for the interior minister to officially comment upon the experts joint statement:

Therapeutic and preventive measures should never bring more harm than the illness itself. Their aim should be to protect the risk groups, without endegearing the availability of medical care and the health of the whole population, as it is unfortunately occurring

We in the scientific and medical praxis are experiencing the secondary damages of the Corona-measures on our patients on a daily basis.

We therefore ask the Federal Ministry of the Interior, to comment upon our press release, and we hope for a pertinent discussion regarding the [Corona] measures, one that leads to the best possible solution for the whole population
At the time of writing, the German government had yet to react.

But the facts are - sadly - vindicating the medical experts' worries.

On Mai 23 the German newspaper [Das Bild](#) titled: "Dramatic consequences of the Corona-Measures: 52,000 Cancer Ops delayed."

Inside, a leading medical doctor warns that "we will feel the side-effects of the Corona crisis for years".

Shooting the Whistleblower. Ignoring the Message.

As [Der Spiegel](#) reported on Mai 15th: "Stephen Kohn [the whistleblower] has since been suspended from duty. He was advised to obtain a lawyer and his work laptop was confiscated."

Kohn had originally leaked the report on May 9th to the liberal-conservative magazine [Tichys Einblick](#) one of Germany's most popular alternative media outlets.

News of the report went mainstream in Germany during the second week of Mai - but already in the third week media and politicians alike stopped discussing the issue by refusing to comment upon it.

Emblematic was the approach taken by Günter Krings, the representative for Interior Minister Horst Seehofer - the whistleblower's boss:

Asked if he would treat the document seriously, Krings replied:

“If you start analyzing papers like that, then pretty soon you’ll be inviting the guys with the tin foil hats to parliamentary hearings.”

Men in tin foil hats - Aluhut in German - is a term used to describe people who believe in conspiracy theories.

Indeed one article by Der Spiegel addressing the Corona protest movement and the consequences of the leaked report contained the word “conspiracy” no fewer than 17 times!

And no discussions of the issues raised by the report itself.

Outside Germany the news has virtually gone unreported.

The Protest Movement - or “Corona-Rebellen”.

Germans begun demonstrating against Lockdowns as early as April.

And thousands of citizens keep showing up at demos every week-end, even as the government is easing the restrictions.

The demos are not merely against restrictions, which have actually been comparatively mild compared to many other Western countries.

The demos question the entire Corona Narrative, and even more its principals, especially the role Bill Gates is playing, as the WHO second biggest donor (the first one since Trump suspended US contribution).

Indeed the biggest such demos took place in [Stuttgart](#) on May 9th, where tens of thousands people assembled to say no - to the NWO.

Germans are saying no to any orwellian solution the government might one day impose out of a questionable “emergency status”, from mass surveillance Apps to mandatory vaccinations.

The leaked report has proved their fears to be well founded.

At least as far as the fake nature of the “Corona pandemic” is concerned.

The rest might soon follow.
